

VAID ICS LUCKNOW

DAILY CURRENT QUIZ FOR UPSC

26/10/2024

EXPLANATION

Qn. 1

Answer: a) Only 1 and 3 are correct

Explanation:

- Exit International was founded to advocate for euthanasia law reform and the right to voluntary assisted dying, primarily for terminally ill individuals.
- Although Exit International was founded in Australia, it has a global influence, advocating for euthanasia rights and providing resources to individuals worldwide.

Exit International provides resources like workshops, publications, and support to educate its members on end-of-life options.

Qn.2 **Answer: b)**

Explanation:

- The Sarco Pod is designed to enable individuals to end their lives autonomously and with dignity.
- It's intended for those who wish to pursue voluntary euthanasia, particularly those suffering from terminal illnesses or unbearable chronic conditions.

Qn. 3

Answer: (a) Only 1, 2 and 4 are correct

Explanation:

- Statement **3 is incorrect**; a high BII score means biodiversity is mostly intact despite human activities, not that these activities have been beneficial..

Qn. 4

Answer: b.

Explanation:

COFER) :

- It is a statistical database maintained by the International Monetary Fund (IMF) that tracks the currency composition of countries' foreign exchange reserves. These reserves are assets held by central banks and monetary authorities in different currencies, used to support the national currency and meet international payment obligations.
