

VAID ICS LUCKNOW DAILY CURRENT QUIZ 20/12/2024 EXPLANATION

Qn. 1

Correct Answer: b) 2 and 3 only

Explanation:

- Statement 1: The Deputy Chairman is subordinate to the Chairman of the Rajya Sabha**
 - Incorrect:** The Deputy Chairman is not subordinate to the Chairman. While they perform duties in the absence of the Chairman, they are directly responsible to the Rajya Sabha and function independently.
- Statement 2: The Deputy Chairman performs the duties of the Chairman when the Vice-President acts as the President of India**
 - Correct:** As per the Constitution, the Deputy Chairman steps in to perform the Chairman's role when the Vice-President (who is the ex-officio Chairman of the Rajya Sabha) discharges the functions of the President.
- Statement 3: The Deputy Chairman's salary is charged on the Consolidated Fund of India**
 - Correct:** The salary and allowances of the Deputy Chairman are fixed by Parliament and charged on the Consolidated Fund of India, ensuring independence and non-disruption of payment.

Qn. 2:

Answer: a.

Qn .3

Correct Answer: a) 1 and 2 only

Explanation:

- Statement 1: The Tansen Samman is awarded annually by the Government of Madhya Pradesh to honor outstanding contribution to Indian classical music**
 - Correct:** The Tansen Samman is indeed an annual award instituted by the Madhya Pradesh government to recognize exemplary contributions to the field of Indian classical music, promoting its rich heritage.
- Statement 2: It is named after Tansen, the famous musician of Emperor Akbar's court and a pioneer of Hindustani classical music**
 - Correct:** Tansen, one of the Navratnas in Akbar's court, significantly influenced Hindustani classical music. The award honors his legacy.
- Statement 3: The award ceremony is organized in Gwalior, which is believed to be Tansen's birthplace**
 - Incorrect:** The award ceremony is held in **Behat**, near Gwalior, which is considered Tansen's birthplace. The Tansen Music Festival is organized here, but the location is not Gwalior itself.

Qn. 4

Correct Answer: b) 1 and 2 only

Explanation:

- Statement 1: GLP-1 receptor agonists are used to manage type 2 diabetes and obesity**
 - Correct:** GLP-1 receptor agonists (e.g., liraglutide, semaglutide) mimic the effects of the natural hormone GLP-1, which regulates glucose metabolism and appetite. They are widely used for glycemic control in type 2 diabetes and for weight loss in obesity.
- Statement 2: GLP-1 receptor agonists stimulate insulin secretion only in the presence of elevated blood glucose levels**
 - Correct:** GLP-1 receptor agonists enhance glucose-dependent insulin secretion, reducing the risk of hypoglycemia because they do not stimulate insulin release at normal or low blood glucose levels.
- Statement 3: GLP-1 receptor agonists directly increase the production of glucagon in the body**
 - Incorrect:** GLP-1 receptor agonists suppress glucagon secretion, especially post-meal, helping to reduce hepatic glucose production and control blood sugar levels.
