

VAID ICS LUCKNOW
DAILY CURRENT Affairs QUIZ FOR UPSC

04/01/2025

EXPLANATION

Qn. 1

Correct Answer: (a) 2 only

Explanation:

- Statement 1 is incorrect as the data retention period is up to **three years**, not five.
- Statement 2 is correct; significant Data Fiduciaries must ensure specified data is processed within India (data localization).
- Statement 3 is incorrect; Data Fiduciaries must notify individuals **48 hours** before erasing their data.

Qn.2

Answer: a) It is a leading cause of respiratory illness in children and immunocompromised adults.

Explanation:

- **Statement 1** is **incorrect** because HMPV primarily causes respiratory infections, not gastrointestinal ones.
- **Statement 2** is correct. HMPV is a major cause of upper and lower respiratory tract infections, especially in young children, elderly individuals, and those with weakened immune systems.
- **Statement 3** is **incorrect**. HMPV is transmitted through respiratory droplets via close human contact, not through water droplets.

Qn. 3

Answer: b)

Explanation:

- **1** is correct because UDISE+ collects detailed data about schools, teachers, students, and infrastructure across the country, including government and private institutions.
- **2** is correct because the purpose of UDISE+ is to enhance educational planning and governance by generating accurate and reliable data, thus enabling evidence-based decision-making.
- **3** is incorrect because UDISE+ includes data from both government and private schools.

Qn. 4

Answer: a) 2 and 3 only

Explanation:

- The **Tsangpo Dam** is not on the Brahmaputra River in India, but rather on the Yarlung Tsangpo River, which flows through Tibet (China).
- The dam is primarily proposed for **hydropower generation**.
- Therefore, **Statement 2 and Statement 3** are correct, but Statement 1 is incorrect.

Qn. 5

Correct Answer: d) 1, 2, and 3

Explanation:

- **Statement 1** is correct because Gujarat and Tamil Nadu are indeed listed under the **Achievers** category in the **Coastal Group**.
- **Statement 2** is correct because Bihar and Madhya Pradesh are indeed **Fast Movers** in the **Landlocked Group**.
- **Statement 3** is correct because Manipur is listed as an **Aspirer** in the **North-Eastern Group**.
