DAILY CURRENT AFFAIRS QUIZ FOR UPSC

06/02/2025

(Answer & Explanation)

Qn1. Answer: (b) 2 only

Explanation:

- Low-pressure system over Iceland that facilitated the movement of warmer air from lower latitudes into the Arctic.

Qn.2 Answer: (d) 2 only

Explanation:

Statement 1: Incorrect. Adaptation expenditures focus on adjusting to climate change effects, while reducing greenhouse gases pertains more to mitigation.

Statement 2: Correct. Adaptation expenditures aim to help vulnerable communities, sectors, and regions cope with climate change impacts like extreme weather, rising sea levels, and changing agricultural patterns.

Statement 3: Incorrect. Adaptation expenditures are often ongoing, involving continuous measures and investments to build long-term resilience to climate change..

Qn. 3 Answer: (b) 1& 3

Explanation:

Statement 2: Incorrect. The first Sahitya Akademi Award was presented in 1955, but not to Rabindranath Tagore. The award went to the noted Malayalam writer, **Thakazhi Sivasankara Pillai**, for his novel "*Kayar*". Tagore, while being a major literary figure, did not receive the first award.
